Private Parties

If searching for your party guests amongst hundreds of people seems a daunting task to you, Tiny Tots Playhouse is the place for you! You have complete run of the house here, including kitchen facilities – you can rest assured that your guests will feel welcome, safe and relaxed. There are no strangers among you – you can spend all your time visiting with your guests and playing with your children, rather than trying to find them amongst the masses. You are also welcome to lock the front door so that the children cannot “disappear”!

Playhouse Reviews!!

Tiny Tots Playhouse takes both the children’s and their parents/grandparents/caregiver’s experience very seriously! We want you to feel excited to come and sad to leave, and we DEFINITELY want you to come back again and again! Here’s what some of our friends say about the Playhouse!

“All 4 of my kiddos have a blast every time they are here! Thank you for all that you do!”

“We absolutely love this place! We highly recommend it! Especially for parties - you can rent the entire place and don't have to worry about where and what the kids are into!”

“I love the tiny tots play house!!! It has so much for the kids to do there and everything is very safe for them!!! We love the new owner. She is very nice to all the kids and parents and she really interacts with the kids!!! Can't wait to back there!!!”

“We absolutely loved it here! We hosted my son's first birthday party here and all the kids had so much fun. There was lots of things for everyone to do and the owner was so sweet to all of the kids. We especially loved that the dining area was decorated to our theme. This was seriously the most perfect place to have a party. This place was definitely our diamond in the rough!”
